

Beginning Sounds Lesson Plan

Title: Beginning Sounds		Grade Range: K-1
Integrated Curriculum Area: Language Arts	Concepts and Competencies: Letters, Sounds	Tool: Keyboard
Summary: Students identify the initial sounds they hear in high-frequency words by coloring letters on a paper keyboard.		

Materials

- Crayons, markers, or colored pencils

Warm-up

- Make sure students have completed the EasyTech lesson **Introduction to Keyboards: U V W X Y Z** and its prerequisites.
- Model for students how to listen to a word and decide on the word's initial sound. Use the Activity Page to demonstrate coloring the key that corresponds with that sound.

Activity

Students color keys on a paper keyboard as they listen for initial sounds in words:

- Choose the appropriate Model page (Kindergarten or first grade).
- Read the word slowly while clearly enunciating the word's initial sound.
- Students color the key that corresponds with the sound they hear.
- Repeat with the next word.

Wrap-up

- Review the word list and the student answers.
- As you review the words, show students the word, and ask them to read the word after you discuss the initial sound.

Extension

- Students create a list of their own words to use with a partner. Check the words for correct spelling before students repeat the activity with a partner.

Nombre _____

Actividad: Sonidos iniciales

Beginning Sounds Model (Teacher: Kindergarten)

Choose the word list students will be using. Slowly read the word for students, clearly enunciating the beginning sound. Repeat the word as students color in the corresponding letter key on their Activity Pages.

Kindergarten Words

sol	rato
uva	disco
nariz	joven
casa	pavo
mono	hijo
gato	lobo
barco	foca
	taza

Beginning Sounds Model (Teacher: First Grade)

Choose the word list students will be using. Slowly read the word for students, clearly enunciating the beginning sound. Repeat the word as students color in the corresponding letter key on their Activity Pages.

First Grade Words

bueno	dama
vuelto	fuente
lata	gustar
poner	nuevo
suelo	tomar
mosca	hacer
wok	yuca
