

EasyTech® Scope and Sequence: Grades 6-8

EasyTech by Learning.com is a standards-aligned, Web-delivered, K-8 technology literacy curriculum that contributes to improved student learning outcomes in language arts, math, science and social studies. EasyTech is aligned to ISTE NETS-S and your state's technology standards.

EasyTech units in grades 6-8 include an effective combination of lessons (L), activities (A), practices (P), discussions (D), and quizzes (Q) that teach students to effectively apply technology skills to learn core curriculum objectives.

This document provides a detailed look at the all of the EasyTech units from sixth to eighth grade.
