

EasyTech® Scope and Sequence: Grades K-2

EasyTech by Learning.com is a standards-aligned, Web-delivered, K-8 technology literacy curriculum that contributes to improved student learning outcomes in language arts, math, science and social studies. EasyTech is aligned to ISTE NETS-5 and your state’s technology standards.

EasyTech units in grades K-2 include an effective combination of lessons (L), activities (A), practices (P), and discussions (D) that teach students to effectively apply technology skills to learn core curriculum objectives.

This document provides a detailed look at the all of the EasyTech units from kindergarten to second grade.
