

Microsoft Teams

Give students access to Tech Quest by creating an external link.

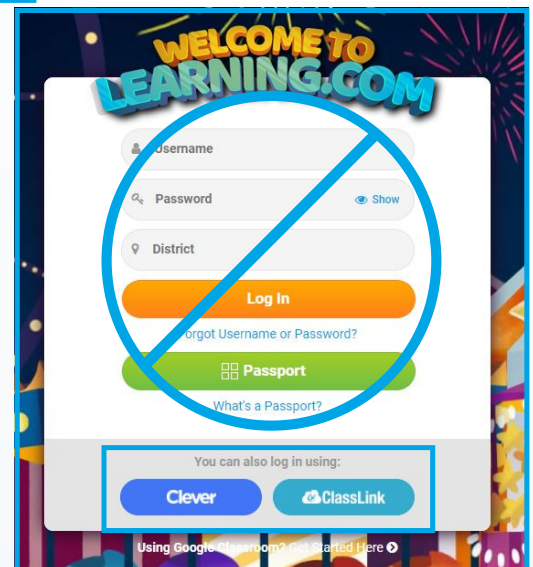

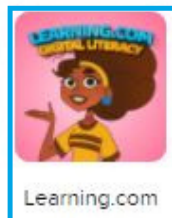

To create an external link as an assignment:

- Go to teams and click the **team name**
- At the top, click the **Assignment** tab
- Click **Create** to create an assignment
- Enter the **title** (E.g. Tech Quest), **instructions**, etc.
- Click **Add Resource**
- On the left, click **Link** to add a link as a resource
- Enter your **Portal, Clever, Classlink, or login.learning.com URL** as well as the description and click **attach**
- Assign **points, rubrics, due dates**, etc. as needed
- Click **Save**
- Click **Assign**

Using Clever or ClassLink?

- If you link to <https://login.learning.com>: Students will just click the Clever or Classlink button
- If you link to your district's Clever Page: Students will click the Learning.com icon. Then the Clever button on the login page

ABOUT LEARNING.COM
