# Schoology

Give students access to Tech Quest by creating an external link.

To create an external link:

- Open your class
- Click **Add Materials**
- Select **Add File/Link/External Tool**
- Select **Link**

- Enter your **Portal, Clever, Classlink,** or **login.learning.com URL**
- Add a **Title** (e.g. Tech Quest)
- Click **Add**

If you link to https://login.learning.com
Students will just click the Clever or Classlink button

If you link to your district's Clever Page
Students will click the Learning.com icon
Then the Clever button on the login page

Learning.com
